## Mobile Privacy Policy

WIM Technologies built the Unison NOC app as a Free app. This service is provided by WIM Technologies at no cost and is intended for use as is. This page is used to inform visitors regarding our policies with the collection, use and disclosure of Personal Information if anyone decided to use our Service. If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy. The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Unison NOC unless otherwise defined in this Privacy Policy.

### Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to First Names, Last Names, Email, Phone Number and Username. The information that we request will be retained by us and used as described in this privacy policy.

### Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. This Service does not use these cookies explicitly. However, the app may use third party code and libraries that use cookies to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

### Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

## **Security**

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

## **Third-party disclosure**

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.

## **Third-party links**

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us.

Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

## **Google**

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users <https://support.google.com/adwordspolicy/answer/1316548?hl=en>. We have not enabled Google AdSense on our site but we may do so in the future. We don't require it.

## **Fair Information Practices**

The Fair Information Practices Principles form the backbone of privacy law and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information. In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur: We will notify the users via in-site notification within 7 business days.

## **Children's Privacy**

These services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we will immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do the necessary actions.
